

United Way Student Service Awards

The United Way Student Service Awards recognizes exceptional high school students from public and private high schools in Charlottesville, Albemarle, Fluvanna, Greene, Louisa and Nelson Counties in grades 9-12 for their outstanding commitment to volunteerism or service-learning. Nominations are accepted from school personnel, nonprofit agency representatives, religious leaders and by the students themselves, until March 26, 2010 at 5:00 p.m.

All nominees and award recipients will be recognized at the Celebration of Youth Service on Saturday, May 1, 2010 in the afternoon (time TBD but will include a service project, ceremony and BBQ). This ceremony will be in partnership with the Charlottesville-Albemarle Commission on Children and Families and in cooperation with the presentation of the Youth Service Award given to a local nonprofit through the Charlottesville Area Community Foundation.

Nominations may be downloaded at
